

Administrator Institute

Join us for a day of professional learning as we explore various special education topics related to site administration.

- Are you a site administrator who would like to ensure your site is appropriately serving special education students?
- Do you wonder about your role in an IEP and what you can do to make the process more efficient and effective?
- Want to know more about compliance “hot spots” and how to avoid them?

Be sure to attend this event! Special guest speakers will include Sam Drazin from [Changing Perspectives](#) and Heather Edwards, [Special Education Attorney](#).

August 9th
8:30AM – 3:30 PM

Location: SCOE TLC
