

TRANSITION TRAINING **WORKSHOP**

In Person at The Sonoma County Office of Education
5340 Skylane Blvd Santa Rosa, CA 95403

This training will focus on the development and writing of high-quality Individual Transition Plans (ITPs) within the IEP process.

Participants will review the legal requirements for transition planning and learn how to use age-appropriate assessments to inform measurable postsecondary goals. There will be a strong focus on how to write clear, outcome-oriented goals in the areas of education/training, employment, and independent living, and how to align transition services and annual IEP goals to support those outcomes.
